

HIGH RIDGE TEAMREACH TENNIS GUIDE

TeamReach is a smartphone app that organizes communications and events for sports activities. We have used it for the past two years for pickleball at High Ridge. This year we have created a separate TeamReach group for tennis. It is a great way to communicate with other High Ridge players to broadcast news or to arrange a pickup game. We will also be keeping a calendar of tennis events in TeamReach – you will now be able see what’s going on for the summer and to sign up easily for any round robin, clinic or camp.

This guide will help you to join the High Ridge Tennis Group in TeamReach and how to use the app.

Download and Join

Install TeamReach on iPhone : <https://apps.apple.com/us/app/teamreach-team-management/id1101253705>

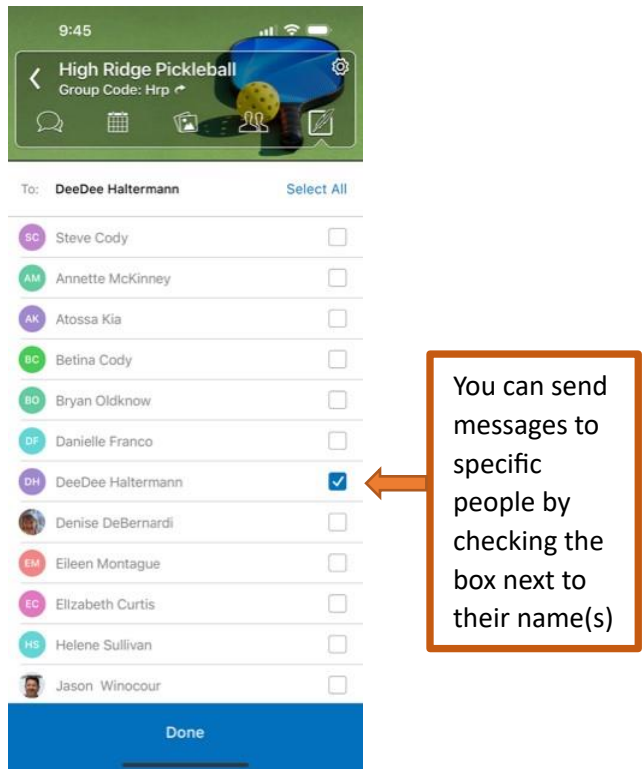

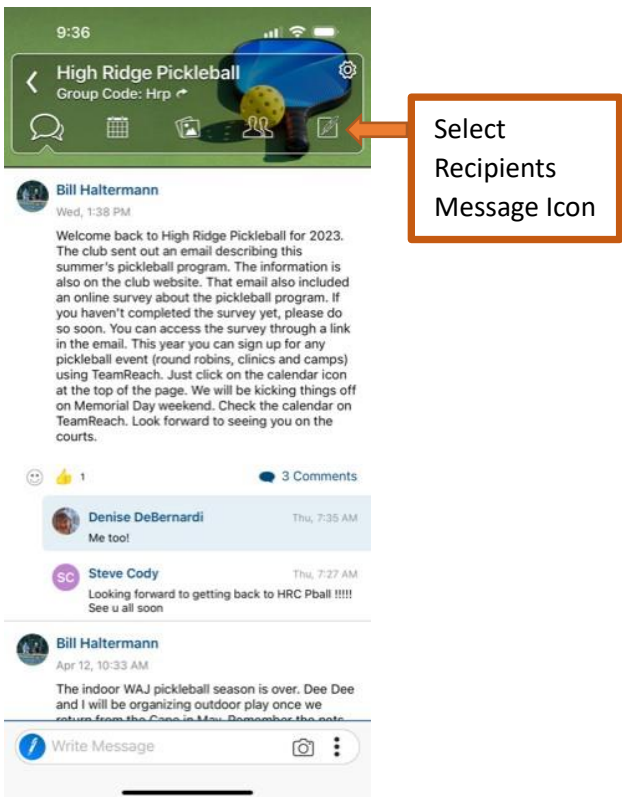

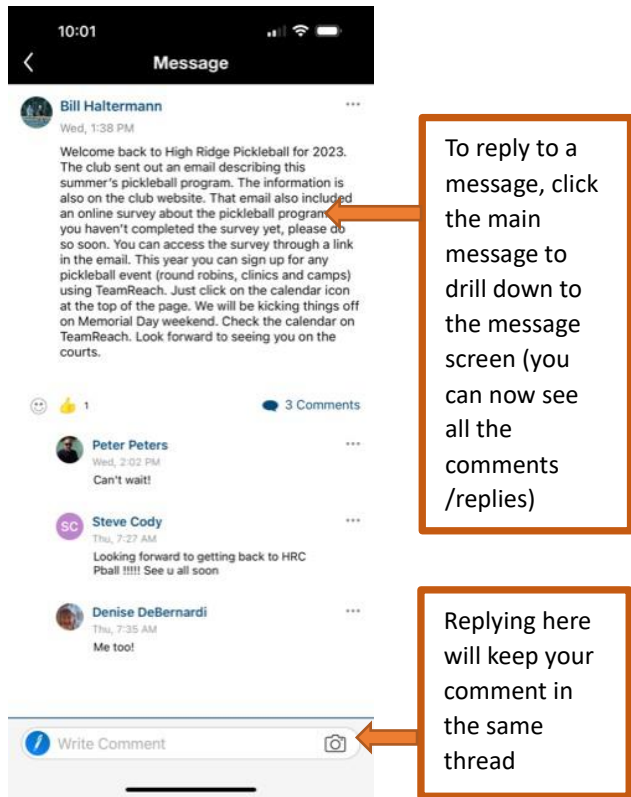

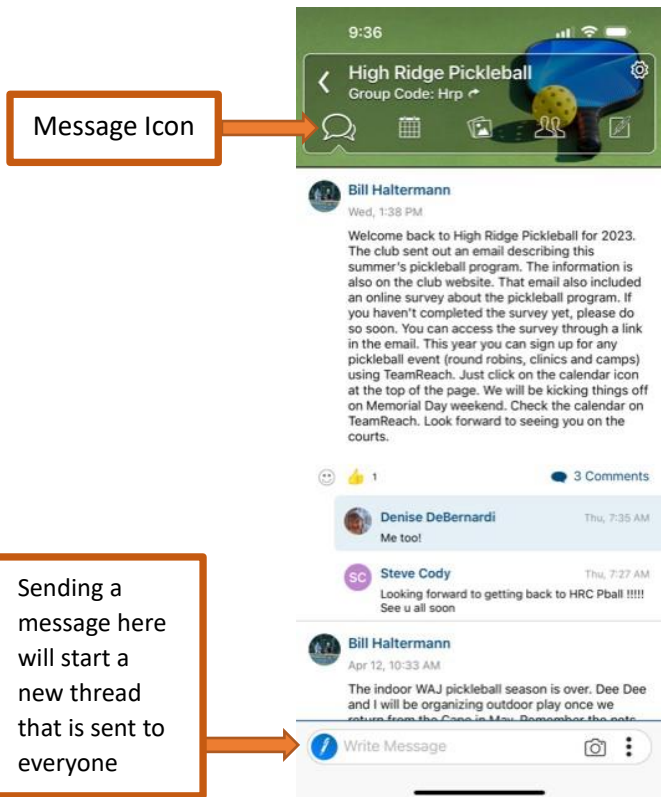

Install TeamReach on Android : <https://play.google.com/store/apps/details?id=com.teamreach.app>

Enter code: HRTennis

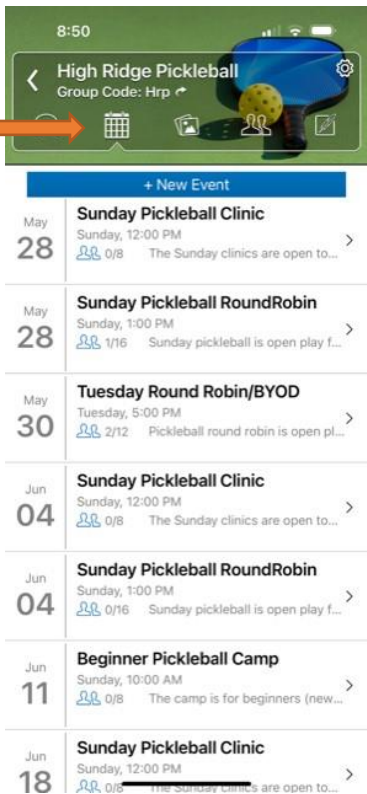

Once you have joined and been approved by the Leader (administrator), you will be set to use all the features of TeamReach described below. The following instructions/illustrations were prepared using the pickleball group as the example. All the features will also apply to the tennis group. (You may join both the tennis and pickleball groups.)

Messaging

You can send messages to the whole group or to specific people. You can also join a thread (reply to a previous message). You can also receive messages about tennis events.
